

7 July 2020

TO ALL OUR VALUED CUSTOMERS

During this pandemic period of uncertainty, we at DanTech have continued to service, albeit on a smaller scale, our many customers worldwide.

The past 4 months have been very quiet, but we are encouraged that throughout it all we are still here today thanks to your trust in DanTech.

We hope that your businesses have managed under these difficult circumstances to remain successful and during the coming months, like you, we remain optimistic that we all bounce back to where we were twelve months ago.

Meanwhile, the staff at DanTech UK Ltd and DanTech Engineering Ltd wish you better things moving forward.

All the very best,

Colin Turner
Managing Director.
For and on behalf of DanTech Group
